PUPIL FREE DAY

Dear Parents, Carers, Students and Friends,

We commenced our Lenten journey on Wednesday. The Season of Lent is a time for us to focus intentionally on what helps or hinders our commitment to Christ. It may be better not to give up something but to take on something, to build up our spiritual muscles.

There are often two approaches during Lent. The first is to give up something - perhaps chocolate, alcohol, gossiping etc. The second approach is to do something like - find peace within relationships, do hard things with joy, be a friend to someone you wouldn't normally etc.

During this Lenten period, whether it is the first or second approach that is taken it is the act of sacrifice or thoughtfulness for another that is important. Lent is about mindfulness, reflection, consideration and prayer to renew our relationship with God. Let us examine how we show love to help those less fortunate than ourselves... without boasting...as we walk humbly with our God.

There is nothing better than seeing a child's face when their loved ones walk into their classroom to see the great learning in action. As part of Catholic Schools Week, on Thursday 9th March, we have our first **Celebration of Learning**. I welcome all parents, grandparents and friends to join us as we showcase the learning happening at OLOW.

This will be followed at 10:30am by a **MATHS & COFFEE WORKSHOP**. This is open to all our community. Hopefully the coffee will help you feel welcome and comfortable as we explore together the ways we teach Mathematics at OLOW and what you can do at home to encourage your children.

During the week, we once again present to you the **OLOW ART EXHIBITION** showcasing the creativity and talents of our students. The exhibition will be on display in the Parish hall from Monday at 2:30pm to Thursday at 3pm. We encourage you to view each grade's creations. If you wish to purchase your child's work, there is a \$5 fee or note donation. The money raised from this year's ART EXHIBITION will go towards the building of the COLA (Covered Outdoor Learning Area) on the infant's playground.

May God Bless You,
Mrs Sue Veling
Principal

Mr Whitby is a passionate reader himself because 'it takes him to new worlds that he could never go outside of his imagination.' CATHOLIC SCHOOLS WEEK 2017 @ Our Lady of the Way School

Catholic Schools Week is being celebrated across NSW and ACT between 5-11th March. The theme for CSW 2017 is '**Learning connected**', building on Pope Francis' statement that '*Everything is connected*'. This sense of connection calls for shared responsibility for the care of nature and our human relationships in a changing world.

Catholic Schools Week is about forging and strengthening connections between everyone who has a stake in our school – students, staff, families, priest & parishioners, and members of the wider community – by showcasing our activities and actions.

During Catholic Schools Week, we take the opportunity to highlight not only the best of what we do, but also what happens in our school every day.

For that reason, I invite you and your family to join us at Our Lady of the Way during Catholic Schools Week to celebrate with our school and parish community.

Our school has a supportive and talented community of teachers, parents, carers, P&F, clergy, parishioners and support staff who work together to give students the best education possible.

This special week on the Catholic Schools' calendar provides an opportunity for the community to recognise our committed and gifted teachers and support staff for their work in encouraging success, promoting discipline, supporting creativity and instilling compassion in our young people.

I would like to take this opportunity to thank you for all your support of Our Lady of the Way and look forward to celebrating Catholic Schools Week with you.

As part of our CSW celebration at OLOW we invite you to attend:

- ➔ **Monday 6th March at 8:45am** our morning assembly and Catholic Schools Week prayer.
- ➔ **Tuesday 7th March at 9:15am** we welcome prospective enrolments and their parents for an open morning tour of the school followed by morning tea.
- ➔ **Thursday 9th March 9:15-10:15am** Celebration of Learning in all grades
- ➔ **Thursday 9th March 10:30-11:30am** Maths & Coffee Workshop for Parents - *Come and find out how Maths is taught at OLOW and how you can help your child.*

OW ART EXHIBITION

From 2pm on Monday 6th March until Thursday 9th March at 3:15pm all parents, carers and friends are invited to visit the OLOW ART EXHIBITION (in the parish hall) of beautiful portraits, landscapes and artistic designs created by our students based on a variety of famous artists, sculptures and designers.

If you wish to purchase any art work, they will be on sale for \$5 each or a note donation. All proceeds will go the building of our new COLA – Covered Outdoor Learning Area.

AT OLOW WE HAVE LOTS TO CELEBRATE!

BYOD – BRING YOUR OWN DEVICES TO SCHOOL

At OLOW we have a policy that students in Years 3-6 *may* bring their own devices to school (tablets or computer). **This is OPTIONAL.** OLOW, with thanks to our wonderful P&F, have purchased enough devices (iPads, Mac's, Chromebooks) to cover each grade throughout the school. There is no need for students to bring in their own devices unless parents want them to. Please don't feel pressured to go out and buy a device for your child.

DIOCESAN SWIMMING CARNIVAL

Last Friday the following students swam at Blacktown Aquatic Centre against the best primary school aged swimmers from all Catholic schools in the Parramatta Diocese.

The following students are heading off to the next stage – the NSW Catholic Schools Trials at Homebush on Wednesday 22nd March. We wish them well

Robinson, Benjamin — 12 Years (OW) 100m Freestyle(4) 50m Freestyle(4)	OW, Male — Snr Boys relay Benjamin Robinson Declan Cremen James Cremen Jayden Roots

NEPEAN ZONE SWIMMING CARNIVAL

A big congratulations to all our OLOW Zone Representatives, it was a great day and as always your behaviour, sportsmanship and positive attitudes were outstanding! You should all be very proud of yourselves, as we are very proud of you all!

A special mention to our parent helpers Mr Dowdell and Mrs Procter, and Mrs Nixon and all the cheerleaders who came along and supported the students.

Congratulations to Lucienne who was Jnr Girls age champion and Jade who was runner up Jnr Girls age champion. Tiare who was tied 11 years age champion. Ben who was runner up Senior Boys age champion.

Well done to our Jnr Boys, Jnr Girls and Senior Boys relay teams!

DO NOT PARK IN THE TROY STREET STAFF & PARISH CARPARK

This carpark is set aside for staff, the parish and disabled students. We still have a number of parents parking in this carpark before and after school.

This has become very frustrating and dangerous particularly for our disabled students and their parents, and elderly parish members who are working with Fr Mick, when no spots can be found.

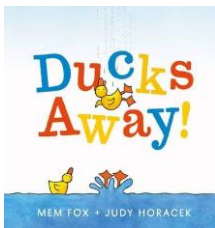

Some parents are even leaving children in the car with the motor running as they rush inside to collect their children.

The actions of these parents are of serious concern, as it displays complete disregard for the safety of their own children let alone those of our students who are walking through the carpark to reach Troy Street.

It is disappointing that again we will have to reinstate the chain and no entry sign at the entrance to the carpark.

From the sidelines

Welcome to our first newsletter from the 2017 P&F Committee.

We are preparing for a very busy and exciting year in 2017. We have many fun activities and social events planned throughout the year and we are looking forward to bringing our community together to help raise funds for our school's new COLA (Covered Outdoor Learning Area).

The P&F is still looking for a Fundraising Coordinator to join our team; it is a valued and rewarding role. You will have the full support of the P&F as well as the two fundraising assistants. All events have already been planned and allocated to grades. If you are interested in this role, or if you have any questions please contact someone from the Committee to discuss further. This can be done through the office.

Our major event for this year is our Fete and the Fete Co-ordinators are already working hard so it will be bigger and better than ever. We are looking forward to working with our school families and the wider community to raise funds for our wonderful school and most of all, the chance to bring the *Our Lady of the Way* school community together. If you would like to assist in any way or would like to contribute ideas, resources or even a sponsorship, please contact the Committee through the office.

The OLOW Fundraising Schedule has been sent home this week with an attached nomination form. For ease of organisation, we have allocated events to specific grades; however, families are welcome to participate in events beyond those allocated. Your help and support is gratefully appreciated at each event and we encourage your assistance in any way you are able to.

A note from the President

A short introduction...My name is Kiery. I have Noah in Year 4 and Layla in Year 2 and this is my fourth year on the Committee. I initially joined the P&F to become involved with my children's education and to make some new friends. What I found was that I really enjoy being able to support the great team of staff at *Our Lady of the Way* in our common goal of enhancing the school's environment.

I would like to say thank you to Kelly Tabor, for her time on the P&F Committee; it is greatly appreciated by all.

I look forward to working with you all this year and hope to see some more new faces at our meetings. Our meetings are informative, entertaining and they are a great way to meet fellow school parents. There is a positive, collaborative nature to our meetings and the achievements we do together.

If you have any questions or would like to assist in any way, please feel free to contact myself or any of the committee members. My email address: kieryandbrett@gmail.com and I look forward to working with you throughout year.
