Member for Penrith

Dear Parent/Guardian,

I want every school-aged child to be able to get active and lead healthy lifestyles. Active kids are happy kids and participating in regular sport and active recreation helps lower the risk of childhood obesity.

I am delighted to confirm that from 31 January 2018, every parent with a school-aged child in New South Wales is eligible for the NSW Government's \$100 Active Kids program, which will help families cover the cost of participating in sport and other approved physical activity programs.

Parents can claim their Active Kids voucher at www.sport.nsw.gov.au/activekids. Your \$100 voucher for every child can then be provided to any approved sport or physical activity organisation to receive up to \$100 off your registration fees.

These activities could include traditional sport such as netball, football or cricket; as well as other fitness or physical activities such as swimming classes or dance. The voucher will not be means-tested and is available to every school-child wanting to get active.

If you would like to know more, please email penrith@parliament.nsw.gov.au and write 'Active Kids' in the subject line and we'll send you information on how to get access to the voucher.

Yours sincerely,
