Kindergarten Term 1 Revision

Dear Parents and Carers,

Kindergarten have had a very busy term of settling into school and making new friends. They have also enjoyed many learning opportunities and we are proud of the progress that they have all made so far.

Over the coming break, we have set some homework that you may wish to do with your child to reinforce the concepts that we have been teaching in order to help prepare them for next term. The homework consists of letter and numeral formation as well as some sound work and counting.

Letter and Numeral Formation

It is always helpful for letter and numeral formation to be done with an adult present as this allows for immediate correction of a letter that has been formed incorrectly. We would encourage the children to complete these formation tasks using Rainbow writing. This consists of the children tracing over each letter or numeral several times using all of the colours of the rainbow. In doing this, the formation of each letter or numeral is practised repeatedly.

On the reverse side of this page you will find a list of the letters and sounds and sight words we have been learning this term. The highlighted words are those which your child has not yet mastered. We would encourage you to use this break as an opportunity to reinforce these words and practise reading them, finding them within texts and writing them.

We would also like to suggest that your child continues to practise their reading using both their readers, as well as books from around the home or from the local library that you can share together. Reading Eggs is another great way to improve your child's reading skills. Your child's account information was attached to their Note Folder along with a note containing instructions on how to access the program.

Overall, we hope that you and your family have a safe and relaxing break and we look forward to working with you again next term to further your child's learning.

Kind regards,

Mrs Blazek, Mrs Thomas and Mrs Khalifeh

Dear Kinder families,

Thank you for your partnership as your child is learning the sounds that each letter makes and beginning to read some sight words.

Please remember that learning is a journey where each success is celebrated along the way.

To help your child continue this journey it is important for them to achieve success and have fun at the same time, therefore we suggest that you revise 5 sounds and 5 sight words at a time - 2 known (for revision and success) and 3 unknown (to be learnt).

You might like to play games such as memory, go fish, I spy or go on a hunt for the sounds and sight words in their favourite books.

Thank you and have fun revising.

LETTERS & SOUNDS

Name	Sound	Name	Sound	Name	Sound	Name	Sound
a	a	h	h	o	o	v	v
b	b	i	i	p	p	w	w
c	c	j	j	q	q	x	x
d	d	k	k	r	r	y	y
e	e	l	l	s	s	z	z
f	f	m	m	t	t		
g	g	n	n	u	u		

Term 1 Sight Words
