## 2<sup>nd</sup> Hand Clothing Pool

Dear Parents,

Our second hand clothing pool is a valuable commodity for many families and I would like to thank Victoria Good who helps maintain our clothing pool. As this is becoming more and more popular due to the generosity of many families we have decided to trial an additional service for this term.

Parents will be able to send us a **2<sup>nd</sup> hand clothing request** and once a week we will try and fill your request. We understand that many parents are unable to get up to the school when the 2<sup>nd</sup> hand clothing pool is open. Parents need to understand that at times there may not be items in the size that you require, but we will try and help as much as we can.

The request form will be placed on the website and parents just print out, fill it in and send it to the office.

If we are able to fill the request we will:

- email you and advise you what is available and how much money you need to send into school.
- hold the items for **1 week**
- send the items home with your child once the payment is received.

Attached is a copy of the order form. We must stress again that there is no guarantee that we can completely fill every order, it will depend on stock and sizes available.

Victoria will continue to open the clothing pool on Monday morning and Friday afternoons. Access to the clothing pool is limited to these times only.

I am sure this new trial will help many families in our community. As usual we will happily receive items that are too small for your children.

Yours sincerely

Sue Veling

Principal
