

Our Lady of the Way School

2018 FUNDRAISING

This year, the Parents & Friends Committee (P&F) have allocated the years fundraising for each grade. This gives each grade an opportunity to contribute to the fundraising for the school, allowing every family the chance to participate and share the load.

Each grade is responsible for organising volunteers and overseeing what needs to be done in the lead up to the event. This includes things such as notes, rosters and money collection.

All grades will receive assistance from the P&F Committee and will be reminded in the lead up to the event. Throughout the year, the P&F will put out reminders and also request volunteers and assistance for various events. We look forward to working together as a community to raise funds to assist the school in providing a quality education environment for our children.

Yours truly,

Mrs Kiery Pascoe
President
