Dear Parents, Carers, Students & Friends,

Welcome back to school for an exciting Term 4. I hope that all our families enjoyed a relaxing time and especially enjoyed the warmer weather that we experienced in the second week of the holidays. I know that the children have all returned full of excitement and the teachers and I look forward to a great term of learning with the children.

I always love coming back to Term 4 - it's Spring, it's the term where we see the ongoing development of the children's learning and we begin to look forward to times of new beginnings such as incoming Kindergarten students and Year 6 students moving into high school. But, the most special of all is that it is October, the month of The Rosary, a time for us to connect with the worldwide Catholic community in praying this universal prayer that honours and celebrates Mary.

Why is The Rosary so significant? The Holy Rosary is considered a perfect prayer because within it lies the awesome story of our salvation. With The Rosary in fact, we meditate on the mysteries of joy, of light, of sorrow and the glory of Jesus and Mary. It's a simple prayer, humble, so much like Mary. It's a prayer we can all say together with her, the Mother of God. With the Hail Mary we invite her to pray for us. Our Lady always grants our request. She joins her prayer to ours.

On Tuesday all OLOW students had a 'Day of Rosary' where each grade prayed together this humble prayer. Throughout October, we will be praying a decade of The Rosary each week. We hope that you may find quiet time in your family routine to share the beauty of The Rosary in your own homes.

God Bless,
Mrs. Sue Veling
Principal

ENROLMENTS FOR 2016

We understand that family circumstances alter and that children sometimes need to change schools. If you know that you will not be attending *Our Lady of the Way* in 2016 please advise Mrs Veling and complete a notification of leaving form that is available from the school office.

You are reminded that concerns regarding financial difficulties **are not** a reason for seeking another school, as the Catholic Education Office and *Our Lady of the Way* can and will assist families with meeting these costs when genuine financial difficulties arise.

We have healthy enrolments for most classes in 2016, with some children on waiting lists, so in fairness to these families we ask you to let us know if you are changing schools.

If you know of anyone considering a Catholic school education for their child at OLOW from 2016, in any grade, please encourage them to contact us as soon as possible to assist us with our planning.

BEST OF LUCK TO OUR HSC STUDENTS

We wish our HSC students the best of luck as they prepare to sit the HSC. Our prayers are with them and their families.

YEAR 5 LEADERSHIP CAMP

Today our Year 5 students accompanied by Mrs Day, Ms Glynn, Mr Mifsud and Mrs Veling, headed off to a 3-day leadership excursion to Berry Sport and Recreation Camp. Besides having fun, the students will be given many leadership challenges that they will need to solve where they can display their courage, initiative and resilience. We are sure that our Year 5 students are up to the challenge and will come back with many great stories and experiences. Best wishes for a safe and rewarding trip.

KINDERGARTEN 2016

On Wednesday 28th October we begin our Kindergarten 2016 Transition-to-School Program. This is a chance for new children to familiarise themselves with 'big school' before the school year begins and a sharing time for parents. Our program begins at 8:45am in the hall.

2016 MATHEMATICS TESTING JANUARY

As was introduced in January this year, all students will be assessed using the **Maths Assessment Interview** on **Wednesday 27th and Thursday 28th January 2016**. *Our Lady of the Way* staff will be taking two Staff Development Days to assess students in Years 1-6. This is a one-on-one interview style assessment led by a teacher. Each assessment takes a minimum of 30 minutes. More details and an interview on-line booking schedule will be organised for later this term. **School will resume for students in Years 1-6 on Friday 29th January 2016.**

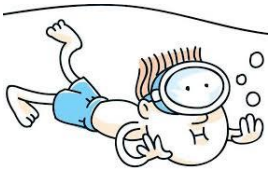

Kindergarten students will have a separate testing schedule for literacy and numeracy and this will take place from Wednesday 27th January to Friday 29th January 2016. **Kindergarten will begin school on Monday 1st February (8:45-1:25); then full days from Monday 8th February (8:45-2:55).**

WORLD YOUTH DAY

Catholic Diocese of Parramatta is fundraising for World Youth Day 2016. **Raffle tickets** will be sent home on Friday, 16th October. There are great prizes on offer including a car. Raffle tickets are \$2 per ticket or \$20 per book. All monies raised from selling these raffle tickets will go directly to sending our Year 6 teacher, Miss Reynolds as a pilgrim to World Youth Day (Krakow, Poland) via the Philippines.

In partnership with the Bishop and the Diocese of Tagbilaranto, seven parishes devastated by an earthquake in 2013 will be targeted for a mission encounter by the Parramatta pilgrims. All pilgrims will work on projects such as, helping out in the early childhood centres, primary and secondary schools, women's refuges, orphanages, general maintenance, tending vegetable gardens, painting and food preparation for children. The Diocese of Parramatta is providing all the equipment with a little help from all schools across the diocese. OLOW will have a **Mufti Day** on Friday 30th October to raise funds for this great cause. All monies raised from this mufti day will go directly to the devastated parishes.

Term 4 Swimming Program 2015

Swimming at OLOW will look a little different this year. The compulsory swimming program for Kindergarten, Year One, Year Two, Year Three and Year Four will be conducted at Nepean Aquatic Centre. (Buses will transport students to the venue). The cost of the program is covered in your annual activity fee. As with previous years, there is an enrolment questionnaire and a permission note to be completed by the student's guardian prior to the program commencing. All students will receive a certificate of their accomplishments at the end of the program.

The five-day program will begin on Monday 30th November (Week 9) through to Friday 4th December. Session times are as follows:

Group One	Kindergarten	9:45am – 10:45am
Group Two	Years 1 & 2	10:50am – 11:50am
Group Three	Years 3 & 4	11:55am – 12:55am

Further information/permission notes will be sent home closer to the date. We look forward to hot weather and cooling down in the pool!!

Mrs Bernadette Curry

Creating Life Long Learners

Creating an environment where we create, nurture and celebrate life-long learning is our aim as educators. Whilst the children undertake a variety of rich, challenging and engaging tasks daily at school we need to also take into account the need for them to have a balanced lifestyle. This includes sufficient time for family, recreation and cultural pursuits.

To consolidate your child's learning and to promote lifelong learning beyond our learning spaces try some or all of the following activities. Involve family members and friends in their learning and develop independence in study habits.

OUTINGS	SPORT	OUTDOOR ACTIVITIES
<p><i>Help plan a holiday/trip: research attractions, compare and contrast the costs, calculate daily distances if driving.</i></p> <p><i>Grocery shopping: read ingredients to help choose the healthiest products for the best prices, find products that you have coupons for, figure out best deal between sizes of items.</i></p> <p><i>Going shopping and computing how much 25/30/50% off would be on the sale price of clothes.</i></p> <p><i>Go to a play or musical.</i></p> <p><i>While in the car make up words using the letters and add up the numbers from the surrounding number plates.</i></p>	<p><i>Play sports or after school activities.</i></p> <p><i>Establish daily exercise plan: calculate distance walked, swam, biked, etc. and how many calories are used.</i></p> <p><i>Spell words or do multiplication tables as you jump on a trampoline- one letter/number per jump.</i></p> <p><i>Spell words or do multiplication tables as you play basketball. One letter/number per shot.</i></p> <p><i>Spell words or do multiplication tables as you jump rope.</i></p>	<p>Swimming.</p> <p>Relay races.</p> <p>Learn and perform magic tricks.</p> <p>Hopscotch.</p> <p>Puddle jumping.</p> <p>Go camping.</p> <p>Name that rock.</p> <p>Name that plant.</p> <p>Name that insect.</p>

LEARNING WITH YOUR CHILDREN

MATHEMATICS	ARTS AND CRAFTS	GAMES AND ACTIVITIES
<p><i>Use homemade pizza, pie, pieces of bread to work on fractions.</i></p> <p><i>Use a fish tank to discuss conversions: litres to gallons.</i></p> <p><i>Create items for an "Estimation Table" where kids "estimate" how many items are in different containers with colourful objects.</i></p> <p><i>For multiplication facts, I have small blocks with multiplication factors on them.</i></p> <p><i>Addition and subtraction of food on their plate during dinner. It works really well using vegetables!</i></p> <p><i>Measure the time it takes to count to ten, one hundred, one thousand etc.</i></p> <p><i>Count the steps it takes you to get to different locations in your house from the front door.</i></p>	<p><i>Make a simple scribble and the other person turns it into a completed composition.</i></p> <p><i>Origami (Japanese paper folding).</i></p> <p><i>Make a family banner using handprints to tell about a family member.</i></p> <p><i>Write a script from their favourite book, do research on the web to find out how to make puppets and produce a puppet show.</i></p> <p><i>Build models, such as birdhouses, cars, etc. This activity requires organization tools, measuring, cutting, creativity, art, painting, neatness; the list goes on, and at the end, they have something they created, that can be used or enjoyed by them, birds, etc.</i></p> <p><i>Create mosaics from bits of coloured paper.</i></p> <p><i>Make birthday cards for relatives: recycle objects around the house and include a picture of the kids in the card to make the card extra special.</i></p>	<p><i>Reading out loud to each other.</i></p> <p><i>Email relatives: this makes writing and spelling words fun.</i></p> <p><i>Tic tac toe.</i></p> <p><i>Checkers.</i></p> <p><i>Watch a movie or show together on and talk about it after.</i></p> <p><i>Cook as a family: include meal planning within a budget (cost, calories, nutrition), time it takes to create meal, etc.</i></p> <p><i>Make a graph of TV/Video time for a month. Compare with sleeping and/or exercise.</i></p> <p><i>Read the newspaper.</i></p> <p><i>Junior Monopoly/Original Monopoly.</i></p> <p><i>Read a book together, then watch the movie - compare/contrast the contents.</i></p>

After their first game, most teams were very excited when they won. The coaches were very encouraging and supportive with their words and their advice, constantly reminding the students that this was a day of fun. It was so inspiring to see how the boys and girls wanted to watch each other's games to lend their support. Our teams were not declared winners on the day, though the OLOW Girls' Team was a close runner-up, but in our eyes they were winners in Sportsmanship and exceptional behaviour. It was an outstanding day!

Parramatta Diocesan Team Sport Trials

Any Primary students enrolled in Year 5 and 6 in 2016 are invited to participate in the Parramatta Diocesan Team Sport Trials during Term Four in 2015 and Term One in 2016.

It is important to note that these trials are generally for those children who display an above average ability and/or have representative experience in their chosen sport. While teams are open in age it is **strongly recommended that only children of a representative standard in Years 5 & 6 in 2016 be invited to attend.**

Parramatta Diocesan trials will be held in the following sports:

*AFL (boys), Basketball (B&G), Cricket (B&G), Diving (B&G), Hockey (B&G), Football (B&G), Golf (B&G), Hockey (B&G), Netball (girls), Rugby League (11yrs & Opens), Rugby Union (boys), Softball (B&G), Tennis (B&G), & Touch(B&G).

To be eligible for selection for these trials an Online Team Registration Form must be completed that can be accessed via the website www.primarysportparra.catholic.edu.au. This online form is an **EXPRESSION OF INTEREST** for the 2016 Parramatta Diocesan Primary Sport Team trials. You may complete this form to attend a selection trial or if you have been selected in a representative squad or team. One form is to be completed per child, per individual sport. Each sport has its own criteria therefore, it is imperative that the correct form is completed.

Please note that your online registration is an **EXPRESSION OF INTEREST ONLY** and **MUST be approved by your child's school**. In order for your child to attend the nominated trial or event this may come down to the discretion of your school as to who is selected to attend the trial. In some sports only 2 students per school can be nominated. **Please complete all fields and especially "Representative Experience"**.

Your child's school will notify you one week prior to the trial date if your child is to attend to the Parramatta Diocesan trial for their selected sport by providing a trial information sheet.

Under no circumstances will a child be eligible to trial if the Online Registration Form has not been completed and approved by the school by the closing date.

Currently only the Summer Sports of BASKETBALL, CRICKET, SOFTBALL & TENNIS are open and registrations close on Friday 30th October as these trials will be held in November 2015.

All other sport registrations will open on 2nd November for 2016 trials.

Please contact Miss Reynolds for any further information.

Margaret Thornton

GENERAL NEWS

SCHOOL SECURITY

As you are aware, we have high fencing surrounding the school and during the day there is only one entry point to the school. Access is available through the gate located at the end of the teacher's carpark in Troy Street. On arrival you need to press the intercom button to talk to office staff. Please note that staff will ask you who you are and what your purpose at the school is. The reason we have this procedure is so that we are aware of who is on the grounds at any time. Please don't be offended if you are asked your name and the reason that you wish to gain entry to the school. We are protecting your most valuable asset, your children.

HELPERS NEEDED

We are asking parents to assist us with a special project we are doing in the next couple of weeks. We have stickers that need to be placed on some brochures we have. If you are willing to take a bundle home and place stickers on them please see Julie in the office. Any help is greatly appreciated. Thank you

CanTeen's BANDANNA DAY

OLOW will be taking part in CanTeen's Bandanna day on Friday 30th October. Bandannas will be on sale from Monday 26th October at break time for \$4 each. The bandannas can be worn to school on National Bandanna Day on Friday 30th of October. All money raised from selling the bandanas goes to CanTeen an organisation which helps young people living with cancer. By buying a bandanna you will show your support for young people as they go through the toughest and most distressing ordeal of their young lives.

ROTARY AWARD " SERVICE ABOVE SELF AWARD"

Congratulations to Lara Roser in Year Six who received the **Rotary 'Service Above Self Award'** on Tuesday at Leonay Golf Club. Lara received this award for her dedication to the Our Lady of the Way Parish as an altar server as well as her outstanding sporting achievements in swimming and participating in other sporting teams throughout her time here at Our Lady of the Way. Lara is a member of the Pastoral Care team where she runs lunch time activities for students in K-2 as well as giving up her time to read with students in Year One 5 times a week. Lara was selected to represent Our Lady Of the Way at the Voice of Youth Cluster final, which she did an amazing job.

We feel that Lara displays leadership qualities to all areas of her school and her community life. She is very reliable and takes pride and care in all that she does.

★★★★★ **5 STARS!**

"Wow, this book is absolutely amazing! I like that in the start of the book there is a letter to the reader from Israel Folau himself! It tells the reader of his goals from when he was a kid, and gives me lots of inspiration. I also like how the chapters are written. There are two main characters, Jayden and Daniel. Every second chapter is about Jayden and all the other chapters are about Daniel. I think this is a great idea: you really get to know the characters in detail."
